

Kyoto 120

Extendable table with ceramic top.
Painted metal legs. Self-storing leaves.

OM/323/GS

Description

Kyoto 120 is a table that combines balance and dynamism in a sophisticated and contemporary design. The concrete-effect ceramic top enhances the materiality of the surfaces, while the metal base, with its sleek and geometric lines, adds lightness and character. A piece of furniture that interacts with the space, bringing style and personality to any setting.
